

Units Nest Together Saving Valuable Space

## SIDE NESTABLE PANEL CART

Model

**BPRCT-N**

Unique design saves valuable space when stored. Ideal for home improvement and hardware stores. Overall size of each cart is 66" wide x 36" deep. Each additional cart only requires an additional 10-1/2" of space. Features front storage area for handling paneling and sheet goods. Rear shelf is ideal for storing smaller products. Heavy duty 2,000 lb. total capacity. Each unit includes (4) 5" x 2" polyurethane swivel casters; two feature total locking brakes. Welded steel construction. Powder coat blue finish.

- Minimize Floor Space
- Easy to Operate
- Easy Access

Model Number	Capacity (pounds)	Overall Size		Net Wt.
