

ALUMINUM WHEEL RISER RAMP

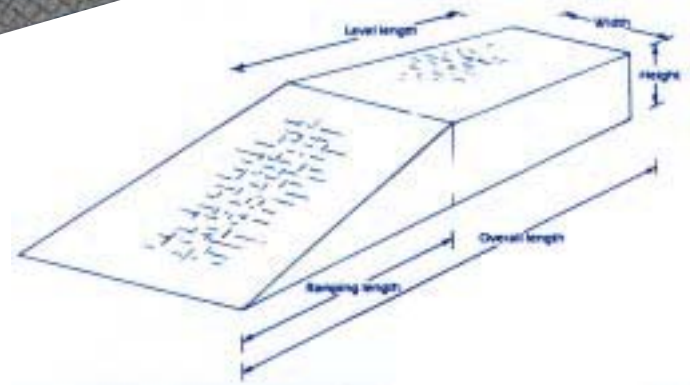

Series **BATWR**

Elevate low trucks to dock height

- ◆ Safety treadplate provides positive traction
- ◆ All aluminum construction
- ◆ 30,000 lb. capacity per pair

Wheel Risers are designed to facilitate compliance with OSHA requirements for a 10% maximum grade of ascending or descending loaded fork trucks.

Model **BATWR-WHL** portability kit allows one person to transport and place wheel risers.
