**CHROME BOLLARDS**

Improve the image of your facility while protecting people and equipment with this heavy-duty Chrome Bollard. Unit is made of steel and finished with an attractive bright chrome plating for a clean fresh look. A black plastic top cap is removable to fill the bollard with concrete for greater strength and stability. The mounting plate is predrilled with (4) 1/2” diameter holes for quick and easy installation. Base diameter is 8”. Mounting kit available.
