E	BDDO-P105-SS3	1-1/4" x 3" Halo / Semi-Steel	55 Gallon	4-1/2"	750

E) BDDO-P105-SS3

# 55 GAL DRUM STAND

**BDRUM-ST**

55 gal Drum Stands provide economical convenient portability. These stands offer a unique design understructure that allows for transporting of drums with either a pallet truck or forklift. Fork tine lock tabs minimize the possibility of the drum stands accidentally tipping while being transported with a forklift.

The 55 gal Drum Stand also allows for single drum stacking for easy storage of drums up to three high (empty stands are nestable and stackable). Capacity is 1,500 lbs. with welded steel construction. Stands are finished with a safety yellow powder coat finish.

Model Number	Acceptable Drum Type	Capacity (pounds)
BDRUM-ST	30 & 55 Gallon Plastic, Steel and Fiber Drums	1,500

Transport with Fork or Pallet Truck
