BCAN-CAP

DRUM COVERS

BDC & BVDC

Protect your drums from bung seepage and outdoor storage situations. Easy to use for years of reliable use.

Polyethylene covers simply lay on the top of the drum with the 3" side lip, rain water is kept out. This durable cover will allow other drums to be stacked on top of it. Overall height is 2-1/2".

Model Number	Description
BDC-TP	Clear Plastic for 55 Gallon Closed Head Drums
BDC-TPO	Plastic Cover for 55 Gallon Open Head Drums
BDC-TPB	Black Plastic Cover for 55 Gallon Drums / Closed Head
BVDC-30	Polyethylene Cover for 30 Gallon Drums / Open or Closed Head
BVDC-55	Polyethylene Cover for 55 Gallon Drums / Open or Closed Head

BVDP

BDC-TPO

DRUM LOCKS

BBLD-80 & BDTL-22

Prevent unauthorized access to drum contents. Simply screw drum lock into place, insert zinc-placed steel rod, and secure with padlock (padlock not included). Steel rod is predrilled with a 5/16" diameter padlock hole.

Model Number	Description	Thread Diameter
BBLD-80	Brass Drum Lock with Steel Locking Rod	2" & 3/4"
BDTL-22	Polycarbonate Drum Lock	

DRUM DEHEADER

BDD-9 & BD-HEAD-1

Convert your drums into storage containers with the Drum Deheader. The **BDD-9** can be adjusted to open steel drums with different thicknesses. The blade is angled for maximum penetration and flattens the cut edge so there is no sharp or jagged edges. Replacement blades, model **BDDB-1**.

Quickly remove the head of a steel drum in less than 30 seconds! Unique design, **BD-HEAD-1**, similar to a household can-opener is very easy to use. Comfortable handle configuration allows for maximum operator comfort. Inside cutting blade does not leave a sharp edge on the drum. Replacement blades available separately, model **BD-HEAD-1-B**.

Model Number	Description
BDD-9	Drum Deheader
BD-HEAD-1	Express-Open Drum Deheader
