GUIDANCE BARRIERS

INDOOR PERSONNEL BARRIER

Keep personnel and customers flowing with economical personnel guidance barriers. Perfect for restaurants, offices, hospitals and schools. The poly strap, model BWEB-P-BY, extends out 132" and is ideal for both indoor and outdoor applications. The fabric strap, model BWEB-P and BWEB-W, extends 72" and is ideal for indoor applications.

</tr>
</tbody>
</table>

SIGN STANDS

Ideal for all types of signs. Surface mounted with a weighted base, includes (3) holes, 9/16" diameter with 1-3/8" diameter counter-bore for permanent mounting. Removable post will accept virtually any sign (sign & mounting hardware not included). Steel construction with painted black finish (BS-STAND) or chrome finish (BS-STAND-CH) available.

FREESTANDING OR INTERLOCKING BARRICADE

Warn people of safety hazards ahead such as open manholes, wet/icy floors or spills. Lightweight and easy to set up and break down for temporary hazards. Features a support stand for freestanding units or interlocking capabilities for those larger jobs. Constructed from a highly visible yellow polyethylene.
